SEED CORN

We consider the shortage of suitable supplies of seed corn most serious, and advise our trade to cover at least a portion of their expected requirements in the immediate future.

We have succeeded in securing limited stocks of strictly first class quality corn, natural dried, germination 90% or better, 1935 crop.

We quote as follows:

Commercial Grade — High quality, double machine cleaned, butts and tips removed by machine. Missouri or Illinois Grown.

	5-10 sxs.	1-4 sxs.
Reid's Yellow Dent.....	\$2.25	\$2.30
